2010 Southwest District  
Community Service Project

April 9th– 11th  
Waco, Texas

As our two organizations join together in celebration of music and service to collegiate bands, we must also keep in mind that our service to music extends beyond that of our Universities. At this year's Southwest District Convention Kappa Kappa Psi and Tau Beta Sigma will join together in a music supply drive for a local school who's music program would greatly benefit from our services.

### Items Needed

- Reeds
- Neck Straps
- Cork grease, valve oil
- Instrument Cleaning Supplies such as cloths
- Mouth Pieces
- Method Books

There are many ways your chapter can collect these items, either by personal donations or collecting from your school or music programs. Chapters may also host fundraisers to give monetary donations.

Collection of all items will take place during registration at District Convention
